

**FOR REASONS BEYOND THE ORGANIZATION'S
CONTROL, JUSTMAD'S VENUE HAS BEEN
CHANGED 15 DAYS BEFORE THE FAIR**

**The name of the new venue will be JUST SPACE, and it will
be located in 32 NUÑEZ DE BALBOA street**

The international emergent art fair JustMAD, which this year celebrates its 9th edition, announces the change of location to a new space in Nuñez de Balboa 32.

The reasons behind this change are beyond the fair's organizers control. The new venue, which will be called JUST SPACE, has an area of 1.500 square meters of space and is situated in one of Madrid's most dynamic and central districts.

The fair's organizers and directors have efficiently solved a problem that occurred regarding the former location.

The organization apologizes for any inconvenience caused.

We hope to see you at JUST SPACE, Nuñez de Balboa 32, from the 20 to the 25 of February.
